**Note:** Upon contract; please communicate to sales if you require other not listed on the specification analysis.

**Product Description:** Natural whole almonds, uniform in size, with a typical almond flavor; free from rancidity, off flavors and/or aromas. Almonds processed through a minimum 4 log salmonella reduction step.

Shelf life of product if stored at a temperature of 32-40<sup>0</sup>F (0-4.4<sup>0</sup>C) with a relative humidity between 60% and 70% is 24 months. The product must be stored in a cool, dry, and odor free place. The product must also be stored away from sunlight and goods which may harbor insects.

Product must be packaged in a properly sealed 25lb/50lb corrugated cardboard carton, super sack or fiber bin (with a polybag liner). Product packaging must be labeled with the product description: lot number, pallet number, net weight, company's address and Almonds.

This product has received Kosher certification.

A Certificate of Analysis from Hughson Nut Inc. is available to our customers upon request only.
